"PROMOTING LAUGHTER AND LEARNING THROUGH VENTRILOQUISM"

Mike Robinson and his pal Woody provide unique entertainment for the enjoyment of both, students and staff. Their presentations offer a skillful display of ventriloquism, tasteful humor, educationally inspiring dialogue, music and song, while encouraging audience participation. The purpose of their presentation is to add a touch of laughter while inspiring youngsters in a learning environment. They have an uncanny ability to capture the attention of their audience and thereby effectively convey educational messages to K-8th students in a fun-filled fashion. The Inspirational and motivational dialogues performed by Mike and Woody have been successfully presented in public and private schools. Some of the script material available focuses on the following areas:

- **Math activities**
- **Healthy habits**
- **High self-esteem**
- **Cultural diversity**
- **Stop the bullying**
- **Test preparation**
- **Conflict resolution**
- **Character development**
- **Language arts activities**
- **Drug free lifestyle (ATODA)**
- **Respect for individual differences**
- **Enhancement of student-teacher relationships**
- **Reinforcement of school rules and expectations**

Custom dialogues may also be designed to address other specific areas of concern. Routines are designed to meet an individual school's needs and are targeted toward specific grade levels. Audiences have been extremely receptive to Mike and Woody's creative approach to educational entertainment. Students have not only been thoroughly entertained, but have also eagerly absorbed the educational messages presented. Administrators, teachers and parents alike have praised Mike and Woody for the style and content of the messages presented. Mike Robinson would be more than happy to discuss designing a program to meet your needs. For additional information, please contact:

"I would like to commend Mike and Woody on their ability to wholesomely entertain our students; and to effectively convey educational messages to them in a fun-filled fashion. Mike and Woody not only addressed some of our academic learning targets at Sherman Multicultural Arts School, but they also focused on positive character development as well. This is a program I would have again and again."

"It is my distinct honor to recommend "Mike and Woody" to help address your school district's educational needs. I've had opportunities to see several outstanding performances by Mike and Woody and was quite impressed. Noteworthy, is the amazing and excellent rapport these performances have with students and school staff, as well as the versatility in accommodating the various needs of students. This is an excellent resource and asset to the learning environment. I highly recommend this invaluable resource.
